

Uniforms 2026-27

Parents and Students,

Welcome back to Riverside Christian School! We are excited for the new school year and want to pass on details and clarifications regarding chapel day uniforms.

- ***The expectations for Wednesdays will be the same as they were last school year. So all clothing from last year is good to use for this year.***
- You will find performance material polos/pants and cold-weather options at our uniform store.
- Khaki and navy are the approved colors for pants.
- You are also able to purchase a polo available through a local business.

Metro School Uniforms - Riverside School Store: Go to www.metro-schooluniforms.com, search for Riverside Christian School. As a reminder, you do not have to pay shipping on orders over \$149.99. So if you want to avoid shipping costs, *please reach out to other Riverside families and put in an order together.* Here is the link to the School Store with Metro School Uniforms:

<https://metro-schooluniforms.com/collections/riverside-christian-school-k-12th-east-grand-forks-mn>

Again, please be aware that all uniform clothing from last year can be used again this year.

Also of note, we do not provide a free polo. So if you need a new one, you will need to purchase one or get one through our “Give One - Get One” program. All students need a polo.

We do have a few items in the office for people to try on. Below is the sizing guide from French Toast. It includes a video that explains how to use their sizing guide and take measurements. It is the best or most accurate way for you to order online for items you cannot try on.

Local Vendor: We have partnered with **Signature Graphix and Apparel in East Grand Forks** for those of you that want to support a local company. This business will be carrying navy performance polos (not the light blue ones). The cost is \$17.

- <https://signaturegfx.com/collections/riverside-christian-rams>

“Give One - Get One” Program: We know that many of you will have polos, pants, etc. that your child has outgrown and we want to use this as an exchange program. So here is how it works. If you give us a used uniform item (shirt or pants/skirt) that is in satisfactory condition, in exchange you will get another used uniform item.

So for example, if you have a medium polo that you have outgrown, you can turn it in and you will get the size you need.

This will be subject to availability, meaning you will get the used item once we have it in stock. So please be patient, but this should be a good way to help families save some money and trade sizes that no longer fit or are being used.

Chapel Day Uniforms: Finally, here are the rules once again regarding chapel uniforms and where they may be purchased from.

Polo shirt

- short or long sleeved, navy or light blue in color
- must be purchased online at Metro School Uniforms* or at Signature Graphix in East Grand Forks

Pants

- khaki (light tan/light brown) or navy (use Metro School RCS store as a guideline for color)
- may be purchased online at Metro School Uniforms*, or buy your own

Skirts/Dress (girls)

- must be purchased through Metro School Uniforms*
- *You can alter the waist of the skirt, but do not alter the length.

Shorts (boys or girls)

- may be purchased online at Metro School Uniforms*, or buy your own (the shorts must be at least mid-thigh in length or longer). Again the approved colors are khaki (light tan/light brown) or navy.
- can be worn through Sept. 30th & after April 15th

Thanks and Go Rams!

Eric Morrow
